1. The Dana College Foundation Legacy Scholarship is intended for descendants of Dana College alumni, faculty or staff. Please describe your connection to Dana, including name(s) of your family predecessors, years they attended or worked there (if available).

2. Please list organizations or activities in which you have taken part (church, school, other). Include sports, music, theater, publications, or any others within the last five years.

3. What special accomplishments or honors have you achieved, either through those activities above, or on your own? Please describe.

4. Please describe any jobs you have held or volunteer activities in which you have participated in the last five years.

5. The essay. In 500 words or fewer, tell us what you have learned about your parents' or grandparents' experience at Dana. Then tell us what you believe a Christian-affiliated, liberal arts education will mean to your own life and career — why you want to pursue an educational experience like that of Dana College. Your essay must be typed, not handwritten, and attached to this application.
